Hi **Gab**,

Thanks for your WhatsApp message — really appreciate the questions you sent over before our meeting. That helps us make the discussion much more targeted and useful.

Our current clients using the platform include **Yotix** and **Paytix**.

During our call, I'll walk you through specific use cases and implementations so you can clearly see how each client is using the platform based on their event model and audience needs.

You can absolutely access the demo environment right away. Here are the details:

Demo Access

Website: <https://eventzv2.clonegranny.com/>

Android App (User): <https://play.google.com/store/apps/details?id=com.eventzapp>

Android App (Event Organizer): <https://play.google.com/store/apps/details?id=com.eventz.organizer>

iOS App (Event Organizer): <https://apps.apple.com/us/app/event-organizer-management/id1359592615>

Demo Login Credentials:

Email: eventz-user@gmail.com

Password: Eventz@7777

For a deeper look at features and platform capabilities, please review:

- **Landing Page:** <https://www.alphansotech.com/eventz>

I've noted our meeting for Monday, February 23, 2026. Please feel free to explore the demo in advance, and if there's anything specific you want us to focus on, just share it — we'll make sure the session is fully aligned with your priorities.

Looking forward to your feedback.

Best regards,
